RADIX DEVELOPMENT EGYPT 2026 PLAN

1. Rebranding First: Reset the Narrative (Q1 2026)

New sub-Slogan Direction

- "Built on Insight. Designed for Life."
- "Where Vision Turns Into Value."
- "Real Value. On ground Growth"
- "Developing what comes Next"
- "Shaping Smarter Communities."
- "From Concept to Reality, From Vision to Value"
- رؤية تصنع واقع
- اسم صنعتته الخبرة ورؤيته تصنع الواقع
- حيث تلتقي الرؤية بالخبرة لتبني الواقع

2. Online & Performance Marketing (Always-On Engine)

A. Egypt Digital Funnel (Core Sales Driver)

Platforms:

- Meta (FB + IG)
- Google Search & Display
- TikTok (Ray only)
- LinkedIn (Spinner + Radix brand)

Campaign focus Split

- 40% Ray Residence
- 35% Spinner Mall
- 25% Radix Brand

Expected ROI - Average CPL (qualified):

- Ray: 350–500 EGP

KSA PENTRATION
PLAN

KSA Market Penetration Plan – 2026

1. Entry Philosophy – How KSA Actually Buys

Radix will enter KSA using a Trust Triangle:

Board Members → Tier-1 Brokers → Private Investor Networks

2. Target Segments

Segment A: Egyptians Living in KSA

Profile

- Professionals, managers, doctors, engineers
- Long-term residents with savings
- Planning eventual return to Egypt

Motivation

- Capital protection
- Rental income
- Trust in a credible Egyptian developer

Segment B: Saudi Nationals

Profile

- Individual investors
- Family offices
- SME owners

Motivation

- Portfolio diversification
- High-yield emerging markets

- Commercial income (Spinner Mall)

Segment C: Foreigners Residing in KSA Profile

- European & Asian expats
- Long-term residents
- Familiar with Egypt (tourism, lifestyle, Airbnb)

Motivation

- Lifestyle ownership
- USD-linked returns
- Short-term rental opportunities

3. Brokerage-Led Go-To-Market Strategy

A. Tier-1 Saudi Brokerage Firms

Role

1. Primary sales engine
2. Trust gateway to Saudi investors
3. Partnership Model
4. Exclusive inventory allocation
5. Tiered commission structure
6. Co-branded marketing materials
7. Broker-only private launches

ROI

1. Higher CPL
2. Significantly higher conversion
3. Faster deal closures

B. Small Investment Brokers

Role

1. Access to high-net-worth circles
2. Smaller volume, higher ticket deals

Best for

- Spinner Mall bulk units
- Premium Ray Residence inventory

4. Channels to Be Used (Saudi-Relevant Only)

Digital Channels

1. Meta (Arabic Saudi dialect)

2. Snapchat (core channel for KSA)
3. Google Search (Arabic & English)
4. LinkedIn (Spinner + board authority)
5. WhatsApp funnels (broker-managed)

Offline Channels

1. Private investment dinners
2. Majlis-style meetings
3. Broker-hosted closed sessions
4. Embassy / business association events

5. Content Strategy (KSA-Specific)

Core Content Pillars

1. Trust & Authority

- Why Radix
- Why Egypt now
- Emotional bond
- Long-term vision
- Stability & safety
- Saudi Love to Egyptian Culture

2. Investment Logic

- ROI clarity
- Rental yield
- Currency hedge
- Commercial leasing economics
- Better Investment Opportunities
- Investment Education (ROI, cash flow, yield)
- Egyptian Market Insights & New Capital Updates
- Radix Projects & Offerings
- Case Studies & Real Examples
- Soft Selling & Lead Nurturing

3. Lifestyle & Emotional Connection

- "Home in Egypt"
- Family legacy
- Quality of life narratives (Ray Residence)

- Saudi Emotional Empathy Towards Egypt

4. Proof & Transparency

- a. Construction progress
- b. Tenant announcements (Spinner)
- c. Financial performance visuals
- d. Content Formats
- e. Short-form video (Snap, Reels)
- f. WhatsApp investment decks
- g. Unlisted YouTube videos for brokers
- h. Testimonials from Egyptians in KSA
- i. Data-driven visuals

6. Using Saudi Board Members as a Marketing Asset

Saudi board members are not promoters ... They are validators.

How They Are Used

- Appear in credibility videos
- Host private sessions
- Participate in closed dinners
- Open doors to brokerage relationships
- Provide market assurance

What They Do NOT Do

- Sales pitches
- Public advertising
- Discount announcements

ROI

- Trust acceleration
- Faster broker onboarding
- Institutional confidence

(D)
PRESENTER PERSONA

MODEL PERSONA

1. Male Shiekh Persona

Age: 45–55

Background / Status:

- Wealthy Saudi businessman, family office owner, or SME entrepreneur
- Respected in his community, seen as a thought leader
- Deep knowledge of investment opportunities in Gulf & abroad

Appearance / Style:

- Traditional Saudi attire: white thobe, red/white ghutra, agal
- Luxury wristwatch, subtle jewelry (symbol of success but not flashy)
- Clean, confident, calm demeanor
- Majlis-style background: ornate room, coffee/tea cups, soft Arabian décor

Tone / Voice:

- Calm, authoritative, measured speech
- Uses culturally resonant proverbs or phrases
- Soft smile, approachable but commands respect
- Messaging Style for Reels:
 - Talks about trust, legacy, and investment wisdom
 - Speaks in short, clear, convincing sentences
 - Mentions family and responsibility

"When I invest, I only choose projects I trust... Radix brings that confidence."

Reel Hook Ideas:

Sitting in Majlis, holding coffee, opening line: "I know quality when I see it..."

showing Ray Residence lifestyle → “This is where my children can feel at home.”

Purpose:

- Serves as peer validation for Saudi HNIs
- Signals trust, authority, and stability
- Pre-qualifies leads before broker contact

2. Female Persona

Age: 35–45

Background / Status:

- Entrepreneur, philanthropist, or family business owner
- Active in community initiatives, CSR, and lifestyle investments
- Seen as modern yet culturally respectful

Appearance / Style:

- Abaya in neutral/black tones, subtle elegance

(A)
OTHER GULF
SECTORS

GULF MARKETS EXPOSURE AS KSA 2026

1. United Arab Emirates (UAE)- Abu Dahbi

Why UAE Matches KSA Impact

1. High concentration of HNIs
2. Strong interest in Egypt
3. Large Egyptian & foreign expat base
4. Faster deal execution

Use Same Framework

- Brokerage-led
- Board endorsement
- Private sessions
- Investment-first messaging

Expected Results

- Similar ticket sizes
- Faster conversion
- Lower relationship friction

2. Qatar – Doha & Lusail

Why it works:

1. High HNI concentration and government-linked investors
2. Strong appetite for regional real estate diversification
3. Active expatriate population including Egyptians and Westerners
4. Large-scale development culture (mirrors Spinner Mall style investment)

Pros:

- Smaller market → less competition than UAE or KSA
- Investors expect quality, long-term partnerships
- Media & broker network very tight → endorsement-focused approach works

Cons:

- Smaller absolute number of investors
- High regulatory scrutiny

Expected ROI:

- Similar ticket size to KSA, slightly lower volume
- High trust conversions if brokerage & board endorsements are used

2. Bahrain – Manama

Why it works:

1. Very HNI-centric market
2. Strong financial services hub → investors understand ROI
3. High percentage of Egyptian expats
4. Investors open to Gulf-to-Egypt diversification

Pros:

- Market easier to penetrate via financial brokers
- Lower marketing costs than KSA/UAE

Cons:

- Market size is smaller → fewer high-volume deals
- Requires relationship-first strategy

Expected ROI:

- Medium volume, high-value deals
- Strong if targeting Gulf family offices

3. Oman – Muscat & Salalah

Why it works:

1. Wealthy individuals and government-linked investors
2. Appetite for tourism-linked projects (Ray + Spinner experience)
3. Less competition from Egyptian developers than UAE/KSA

Pros:

- Touristic angle works well (Red Sea / North Coast appeal)

- Fewer competitors → stand out as high-quality developer

Cons:

- Smaller brokerage ecosystem
- Requires personal relationships → slower pipeline

Expected ROI:

- Smaller volume, but strong for premium projects
- Excellent for Ray lifestyle / vacation-type sales

4. Kuwait City, Kuwait

Why it works:

1. Egyptian expat presence is strong
2. Kuwaiti HNIs seek regional diversification
3. Familiarity with Egyptian projects, short flight time

Pros:

- Quick deal closure possible
- High-ticket buyers with family offices

Cons:

- High competition from local & UAE developers
- Media penetration is not enough alone → brokers critical

Expected ROI:

- High-ticket sales per deal
- Moderate total volume
